Alternate Web Site Link Disclosure

Star One Credit Union provides links to various alternate web sites throughout our site. When you click on a link, you can see that you have left the Star One web site by checking the address line in your browser: the address will no longer begin with <https://www.starone.org/> or <http://www.staronecu.com>.

Alternate sites are not operated by Star One. Star One is not responsible for, and exercises no control over the alternate web sites, nor does it vouch for the accuracy, privacy, or security of the information on the destination server. Star One does not represent either the alternate web site or the user if the two enter into a transaction. Privacy and security policies of alternate web sites may differ from those practiced by Star One.
